Sony BRAVIA OLED 4K HDR Display with Google TV

Key Benefits

4K OLED | Enjoy striking contrast on our OLED screen that's expertly controlled by Sony's unique technology to deliver real life depth and pure blacks in every scene.

Cognitive Processor XR™ and XR TRILUMINOS Pro™ | Our revolutionary Cognitive Processor XR™ reproduces content the way humans see and hear for an incredibly lifelike experience while reproduces over a billion colours with the subtle differences from the real world with XR TRILUMINOS Pro.

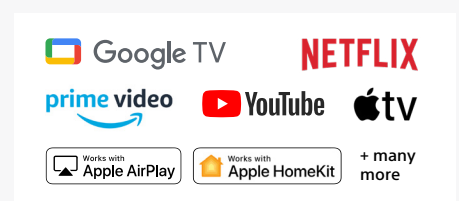

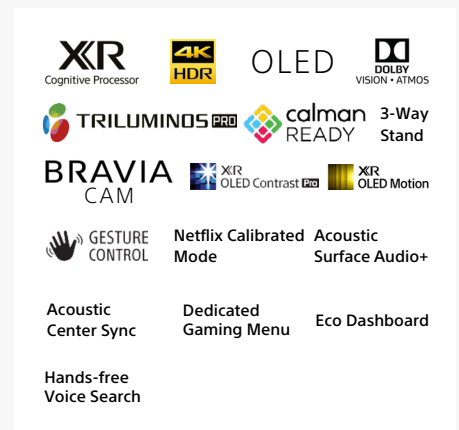

XR OLED Contrast Pro | XR OLED Contrast Pro boosts colour and contrast in bright areas for exceptionally realistic pictures defined by absolute pure blacks and peak brightness.

Perfect for PlayStation 5® | Automatically optimize the picture to the best settings for your PlayStation®5 on our BRAVIA XR TVs. Features include Auto HDR Tone Mapping and Auto Genre Picture Mode.

HDMI 2.1 with 4K 120, ALLM¹ and VRR² | Large actuators vibrate, uniquely turning the entire screen into a 3.2 speaker set-up to create powerful acoustics that move with the picture. Connected to a Sony soundbar, the soundbar reinforces the center speaker channel for clearer and fuller vocals. Sound perfectly matches on-screen action. (1) Auto Low Latency Mode. (2) Variable Refresh Rate.

ECO | Lower your environmental impact thanks to the gains achieved during the product life cycle, such as reduction of virgin plastic, improvement of transportation efficiency, and review of power consumption during use.

Works with BRAVIA CAM | Connect your BRAVIA XR™ TV with BRAVIA CAM - sold separately - for an even more immersive viewing experience.

FWD-A80L

- BRAVIA XR™ 4K OLED
- XR Processor with XR OLED Contrast Pro
- Acoustic Surface Audio+
- Google TV
- 3-way Metal Slim Wedged Design

Specifications

		XR-83A80L	XR-77A80L	XR-65A80L	XR-55A80L
Display Features	Screen Size (inch, measured diagonally)	83"(82.5")	77"(76.8")	65"(64.5")	55"(54.6")
		210 cm	195 cm	164 cm	139 cm
	Display resolution (H x V, pixels)	3840 x 2160			
	Dimming type	OLED			
	Display device	OLED			
	Aspect Ratio	16:9
