

JBL BAR 1300

Positioning statement

JBL Bar 1300 is the ultimate 11.1.4-channel soundbar, delivering the best 3D cinematic experience with immersive audio that will blow you away. Featuring a 10" wireless subwoofer, detachable wireless surround speakers, six up-firing drivers and MultiBeam™, you get the most realistic height effects and 3D sound all around you. You can also use one or both of the detachable components anywhere as standalone Bluetooth speakers.
