

Floor lift XL max. 86 inch

052.7200 Floor lift XL for touch screen max. 86 inch, 135 kg

The 052.7200 is a quick and easy to install floor lift, allowing electrical height adjustment of your (touch) screen. The lift is fitted with a screen bracket containing most VESA patterns, making it suitable for almost every display. Unit requires positioning close to a wall after which it can be fastened with its adjustable wall bracket. The floor lift comes with a remote control to adjust the display 600 mm (052.7200) in height. Behind the mounting feature, room is reserved for placing a mini PC. For the use of a thin-client PC a VESA 75/100 mounting pattern is included.
