INTÉGRATION
AUDIOVISUELLE

The Peerless-AV® Paramount™ Motorized Height Adjustable Cart was designed to safely mount, move, and store an interactive display. Integrated actuators allow you to raise or lower a display, up to 9.8" (250mm), with the touch of a button. The cart's large wall plate and locking casters provide a stable foundation for touch applications and allow you to easily maneuver the cart from room to room. The durable gray powder coat finish provides a nice aesthetic to complement this highly functional solution that is ideal for any touchscreen application.

- Robust, cold-rolled steel frame, along with a heavy-duty motor and actuators, allows the cart to handle the heaviest displays, up to 200lb (90.7kg)
- Integrated digital controls at the rear of the cart allow users to raise, lower, or lock the movement of the display with no remotes to lose or batteries to replace
- Pre-assembled casters expedite installation
- Textured gray powder coat finish helps hide fingerprints and dust
- Includes 118" (3m) power cord
- Power rating: 125V, 60Hz, 75W Max. Convenience receptacle: 5 amp Max. Replacement fuse: T10AL250V

Integrated digital controls at the rear of the cart
